

SERPENTINE & DISTRICTS GOLF CLUB

MEMBERSHIP FEES POLICY & DEFINITIONS

(as at 18/01/12)

1. **Financial Year.**
The financial year of the Club commences on 1st April each year and extends until the 31st March in the following year.
2. **Membership**
Membership of the Club is matched to the financial year (above). Annual membership falls due on the 1st April each year and must be paid in full prior to 31st May each year or the member becomes unfinancial, and their Handicap may be made inactive.
3. **Pro-Rata Membership**
A reduced price membership is offered after the winter season closes each year around the end of November. The calculation of the pro-rata membership fee is based simply on the proportion of the Club financial year remaining in weekly terms until the 31st March. For instance, if you join with 15 weeks remaining & the membership fee is \$260, then the pro-rata membership fee payable is $15/52 \times \$260 = \75 (rounded up to nearest dollar if necessary).
4. **Nomination Fee**
All new applications for Membership of the Club must be accompanied by a one-off non-refundable payment of the current Nomination Fee.
5. **Affiliation Fee**
Any Member who wishes to have an official handicap must be registered in Golf Link and also pay a fee to Golf WA.
The total of those fees is referred to as the Affiliation Fee.
